

## **Program for the ICDP network meeting in Maputo 26<sup>th</sup> - 29<sup>th</sup> of October**

In line with a previous concept paper a Southern African ICDP network would involve the following points:

In this meeting we would like participants to be actively involved in selecting what should be the dominant topic of the meetings. We have prepared five alternatives:

- Suggestion 1: Starting ICDP projects in developing countries, procedures and experiences
- Suggestion 2: The essence of ICDP – key issues and new developments inside ICDP
- Suggestion 3: Cultural issues related to psychosocial intervention in a Non-western culture
- Suggestion 4: Evaluation and monitoring to keep quality control of projects started. Some simple methods.
- Suggestion 5: Regional problems in Southern Africa – what kind of support is needed relating to ICDP?

***By 30<sup>th</sup> of September we would like all the participants to indicate which two of the five topics they would like to be included in the agenda.***

### Program

The two first days will be split in two parts; first a lecture and group work, then reporting from participants. We ask you to prepare a short presentation about your work with ICDP, please bring pictures and films if available.
