

A brief Report about ICDP in Nepal

- By Yohoshu S. Limbu (Joshua), ICDP Project Coordinator for ECEC

A number of organizations working among the children and families have done ICDP training during the last two project year 2015-2016. So far 39 facilitators from 12 different organizations. Over 200 hundred parents/caregivers have received ICDP caregivers training and have improved on healthy psychosocial development of children in their care. The ICDP certified facilitators conduct a group of caregivers training every year

There are 14 participants selected from the previous two certified groups of facilitators currently undergoing ICDP Training of trainers who will be national trainers who will then train other hundreds of facilitators and thousands of caregivers throughout the country of Nepal.

Helen Johnsen and Elsa Doehlie, senior Norwegian ICDP international trainers are training the trainers to be in Nepal.

ICDP Project is financed by HIMAL Partner, a Norwegian Development Organization and coordinated by ECEC (Early Childhood Education Centre) in Nepal
