A member based NGO with own projects  
Supports government with trainings  
Decides on development in collaboration with the government

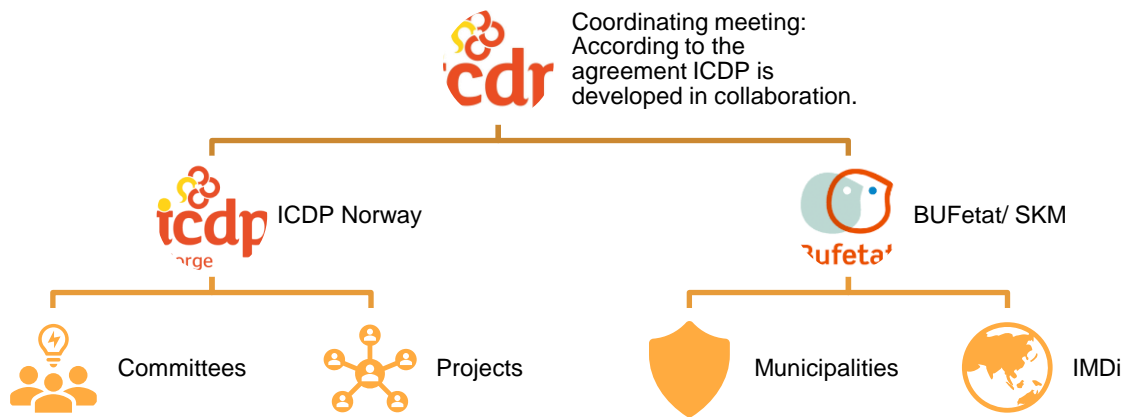

## ICDP in the government

Ministry of Child and Family  
Directorate of Diversity and Integration  
Family support strategy

# ICDP collaboration with the Norwegian government

Common objective ICDP Norway and BUFetat/SKM: to spread and mobilize and ensure the quality and an always updated theoretical base towards parents and caregivers in Norway (0-18 years).

BUFetat/SKM - Ministry of Child and Family.  
IMDi - Directorate of Diversity and Integration

Impact

Caregiver's natural ability to care (for their children) is nurtured through arenas for reflection and an increased public understanding and knowledge of child development in a given culture.

Caregivers are confident of their natural ability to care.

Increased understanding and knowledge about child development in a given culture

Outcome

Arenas for reflection

- Parents/Caregivers
- Prof.caregivers
- Within institutions

- ICDP for parents with children with disability
- ICDP trainings and parent groups digital version
- Increased contact with NGOs
- Parent support in community – an integrated approach
- Nordic ICDP Conference in September 2023

## ICDP Norway's International involvement

### ICDP Norway promotes:

To develop sustainable national ICDP units with a vision to reach the whole country. The units should be approved by ICDP International. When starting in a new country one should aim at drawing a sustainability strategy from the start.

A photograph of James J. Heckman, an older man with white hair and glasses, wearing a dark suit, white shirt, and blue patterned tie. He is sitting and gesturing with his right hand while speaking. The background is a blurred hallway with wooden walls and large windows.

# The beginning of life

**JAMES J. HECKMAN, Ph.D.**  
Nobel Laureate and Professor of Economy  
UNIVERSITY OF CHICAGO
